

# OUR ENVIRONMENTAL POLICY

VORMANN is committed to protecting the environment and reducing our impact on natural resources. We recognize the importance of sustainability and are dedicated to conducting our business in an environmentally responsible manner. This environmental policy serves as a guide for our business practices.

## **1. Compliance with laws and regulations:**

We comply with all applicable environmental laws and regulations and any other environmental requirements to which we are committed. Any changes in the law are adopted by us immediately.

## **2. Prevention of pollution:**

We will continually strive to prevent pollution by reducing our emissions, waste, and energy consumption through the adoption of sustainable practices.

## **3. Reduction of waste:**

We will minimize our waste by implementing practices that reduce, reuse, and recycle materials wherever possible.

#### **4. Conservation of resources:**

We will strive to conserve natural resources by implementing practices that reduce our use of water, energy, and other resources.

#### **5. Employee involvement:**

We will encourage and educate our employees to participate in our environmental efforts by promoting environmental awareness and providing training opportunities.

#### **6. Supplier engagement:**

We will engage with our suppliers to encourage them to adopt environmentally responsible practices and to minimize their environmental impact.

#### **7. Transparency:**

We will communicate our environmental efforts and progress to our stakeholders, including employees, customers, suppliers, and the community.

We are committed to implementing this policy and to continually improving our environmental performance. This policy will be regularly reviewed and updated as necessary.
